Our delicious beans come from Lonton Coffee, an artisan coffee roastery on the county border of Durham. Our blend is “Blue Monday” made up of specially selected beans that are organic, fair-trade and rainforest alliance certified. The beans selected for our coffee are from Fina Bosque Lya in El Salvador, Jogong Village in Indonesia and Fazenda Pantano in Brazil. Blue Monday offers a smooth, rich and chocolaty taste with a fruit laden palate; a delicate acidity and a round buttery finish.
